SUBJECT : SOCIAL SCIENCE

(History)

You are tasked with creating an impressive project file on the topic of sources of history or tools used in the paleolithic age, mesolithic age and Neolithic age.

***Instructions:**

- Your file should be exceptionally creative and presented in clear, neat handwriting.
- Use A4-sized colourful chart papers to enhance visual appeal.
- Ensure a proper sequence in your presentation, including the following order: front page, acknowledgement, preface, certificate, index, body/other contents, and conclusion.

(Geo)

Construct a 3D model of the solar system.

***Instructions:**

- Remember, thermacol materials are prohibited, so think creatively!

(Civics)

Make a chart showcasing the diversity of India.

***Instructions:**

- Use large chart paper for your design.
- Fill it with your creativity and ensure a strong presentation.
- Feature a bold topic name and an eye-catching border.
- Use accurate information to bring your message to life.

Note: Be sure to learn the questions/answers and exercises of Chapter 1 of each subject in SST.

SUBJECT : ART EDUCATION

1. One photo frame with landscape or any favourite painting
2. Poster making slogan for independence day and international youth Day full chart paper.
